Green Anaesthesia & Intensive Care Network - West Midlands
and
Yorkshire Green Anaesthesia Society

Sustainable Anaesthesia and Intensive Care learning day and competition

Join us for a day of practical workshops
and project presentations

Submissions welcome for environmental sustainability projects in anaesthesia and/or intensive care undertaken in West Midlands, Yorkshire and Humber.

To enter send a 300 word abstract to
gainwestmids@gmail.com
Deadline for submission is 6th March 2023

Weighting will be given to projects that demonstrate sharable learning.

27th March 2023
9-4pm, online

**Save the date and please encourage your
colleagues to submit abstracts**
