

Planetary Healthcare Journal Club

Wednesday 20th October, 17:00-18:00 BST

Join us for an international student-led journal club exploring sustainability in healthcare!

Form cross-disciplinary connections with individuals from the US, Canada and UK as we work together to mitigate the impact of the health care sector on climate change.

To discuss: “Operating in a climate crisis: a state-of-the-science review of life cycle assessment within surgical and anesthetic care. Environmental health perspectives.” (Drew et al, 2021)
